ANDERN 22 A TRIBUTE TO AN OLD SHOE.

My sole companion day by day, You've cheered and soothed my weary way. A fond adieu! My dear old shoe, Most faithful friend I've found in you; Alike midst fair or stormy weather, We've shared life's pilgrimage together.

Adieu! Adieu!

My poor old shoe, What comfort I have had with you

A sad adieu! Poor worn out shoe,
What sorry plights you've borne me through;
And Oh! it tears my tender heart,
To think that you and I must part.

Can any other boot Thus ever suit As you have done my crippled foot? Can any other shoe thus ever be The true, tried friend you've been to me?

Dear cast off shoe Whatever may become of you Accept dear easiest best of shoes, This farewell offering of my muse.

### THIS IS THE KIND OF Fine Boots & Shoes A. GORDON COLHOUN,

They fit so nicely, wear so long, and give such general satisfaction that sentimental folks write a tribute to their memory. Practical people simply say, "Well, A. G. Colhoun does sell nice fitting, good wearing shoes, and his prices are reasonable." This is one of the largest and best equipped Boot and Shee Houses in the State of Ohio. None but the best class of Boots and Shoes are sold and at the closest cash prices. Four years of extraordinary and unbroken success is a sure proof of the fair method of dealing in vogue at this popular Boot and

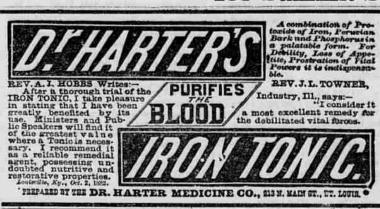

6) per cent. increase in his sales in March, 75 per cent. in April, 100 per cent. (just double) in May over same months last year, proves conclusively that the great tide of the Boot and Shoe trade is steadily and rapidly drifting towards this popular and well stocked Boot and Shoe House.

You have the privilege of making your selections and purchases from a stock as large as any four or five stores generally keep. This is worth something, as you can get easily suited. None but the best makes of Boots and Shoes are sold—such as will wear well, will give you satisfaction, and bring you back again. This is an important consideration and a strong factor in extending his trade. Cash is the order of the day, enabling him to sell cheaper than small country stores who keep meagre stocks, or shoe stores in Toledo that keep small stocks.

FARMERS! FARMERS! FARMERS! Mechanics and working men, will find our stock of Boots and Shoes worth looking at, also our stock of Wom-

en's and Children's Shoes. We are showing a beautiful stock of all the finer grades of Ladies, Gents, Misses and Children's Fine Shoes. Don't wait to be asked again, but visit this popular Boot and Shoe House, the first time you are in Toledo.
